We are notifying all of the residents in your area that over the next week or so, weather-dependent, work on demolishing the abandoned building at 80 Miller Street will begin.

Truck traffic on your street will probably increase during this time so we thank you in advance for your patience during this process.

If at any time you have a question or a concern, please feel free to contact us at 740.625.6075.

Sincerely,

Teri Wise, Village Administrator
