

**ORDINANCE 2022-21**

**TO APPROVE THE VILLAGE OF CENTERBURG'S PARTICIPATION IN THE ODOT BRIDGE INSPECTION PROGRAM AND TO DECLARE AN EMERGENCY**

**WHEREAS** the Village of Centerburg has determined the need for Bridge Inspection Program Services, including, but not limited to routine inspections, element level inspections, critical findings report, fracture critical member inspections, load rating calculations and reports, weight limits posting sign recommendations, scour assessments, scour plan of actions, development of fracture critical plans, and underwater dive inspection reports if needed.

**NOW, THEREFORE**, be it Ordained by the Council of the Village of Centerburg, Ohio:

**SECTION I:** That the Council consents to the Ohio Director of Transportation to provide the above-described Bridge Inspection Program Services.

**SECTION II:** That the Village of Centerburg agrees to cooperate with the Director of Transportation in the Bridge Inspection Program Services as follows:

The State shall assume and bear 100% of all the cost for Bridge Inspection Program Services requested by the City and agreed to by the State. Eligible Bridge Inspection Services are described in the Consultant's Scope of Services Task Order Contract (Exhibit A).

The Village of Centerburg agrees to pay 100% of the cost of those features which are not included in Exhibit A. Those features may include but not limited to the purchasing and erecting the recommended weight limits postings signs, the implementation of critical findings reports such as partial or total bridge closures, the implementation of the scour plan of actions. When recommendations affect public safety, ODOT expects full implementation by the municipality As of October 2019, FHWA requires installing weight limits posting signs within 30 days from the official date of the approved recommendations. Timely implementation is essential to the success of this program.

**SECTION III:** Regarding the necessary right-of-way for this project, the Village of Centerburg agrees that all right-of-way required for the described project will be made available in accordance with current State and Federal regulations.

**SECTION IV:** Regarding the project duration and consent applicability, Council states that:

The Project is based on the available funds provided by ODOT aimed at assisting the Village of Centerburg in reaching compliance with State and Federal laws and policies for bridge inspection. The Project specifics (program duration, PID number, and consultant scope of services (Exhibit A)) shall be provided to the designated Village of Centerburg Contractual Agent via email sent by ODOT Office of Structural Engineering (OSE).

ODOT will seek additional funds to renew the project in future years. If such funds are allocated, ODOT will send an email with the Project specifics to the designated Village of Centerburg Contractual Agent seeking approval for the new Project. ODOT will not proceed with any Project that does not have written authorization via email from the designated Village of Centerburg Contractual Agent.

**SECTION VI:** Regarding authorization for the Project, the Village Administrator of the Village of Centerburg is hereby empowered to provide written authorization via email to the Director of Transportation to complete the above-described project and any renewals.

**WHEREFORE,** this Ordinance is hereby declared to be immediately necessary for the preservation of the public, peace, health, safety and welfare and determined to be an emergency measure to expedite the highway project and to promote highway safety. Following the passage of this Ordinance, it shall take effect and be in force immediately upon its passage and approval.
